THURSDAY, 6 JUNE				
CONGRESS DAY 1				
07h30 – 08h30	Registration			Foyer
	Opening Remarks			
Venue	Kgotla 1			
08h30 – 08h40	LOC Chair - Gita Naidu Scientific Committee Chair - Jennifer Geel			
SESSION 1	PLENARY SESSION: CHILDHOOD CANCER AND THE EFFECTS OF EVENTS BEYOND OUR CONTROL In memory of Jayne Kamau, Bella Jaboma Achieng and Grace Kariuki			
Venue	Kgotla 1			
Chairs	Simone Abib, Laila Hessissen, Rodney Wong			
08h40-09h25	1. Climate change and childhood cancer - Ashraf Coovadia 2. The strain of strikes, climate changes and pandemics on childhood cancer NGOs – Hedley Lewis (South Africa) 3. The influence of climate change on agriculture and treatment - Sidney Chahonyo (Kenya)			
SESSION 2	MEDICAL : SUPPORTIVE AND PALLIATIVE CARE	NURSING: EDUCATION AND TRAINING	CIVIL SOCIETY & PARENTS: EXTERNAL CHALLENGES TO COMPREHENSIVE CARE	MEDICAL: SOLID TUMOURS
Venue	Kgotla 1	Auditorium	Lethabo	Lecture Room 8
Chairs	Diane Mackinnon (SA) Jan du Plessis (SA) Lisa Irumba (Uganda)	Ronel Venter (SA) Julia Challinor (USA) Tadala Mulemba (Malawi)	Eugene Subban (SA) Laura Sibanda (Zimbabwe) Erna West (SA)	Thurandrie Naicker (SA) Derek Harrison (SA)
09h30-10h30	Evolution of a paediatric palliative care service in Botswana Ramphaleng Current situation of end-of-life in children and adolescent with cancer at a tertiary hospital Nzazi Use of palliative chemotherapy in South Africa: National survey of paediatric oncologists Büchner Development of an antimicrobial stewardship guideline for paediatric oncology care in sub-Saharan Africa Chitedze Invasive fungal disease in children with cancer: a 10 year analysis from a paediatric oncology centre in Soweto, South Africa Keene The spectrum of bloodstream infections in patients at a South African paediatric oncology unit Elhuni	Establishing childhood cancer shared care networks in Cameroon. A research-guided approach Mbah Sub-Saharan Africa paediatric oncology nurses network: foundation training programme outcome Kiteni Implementation of the SIOP paediatric oncology nursing foundation course in Cameroon Jator Global collaboration to strengthen pediatric oncology-haematology nursing in Africa Abraham Improving quality of life and reducing suffering of children with cancer through child life intervention Mwongela Nurses' Knowledge, Attitude and Practice on Management of Children Diagnosed with Leukemia at Muhimbili National Hospital, Tanzania Kiswaga	Cost Effectiveness of Family Support Cash Incentives to sustainably prevent Treatment Abandonment in sub-Saharan Africa Israels An examination of the impact of disasters on the management of childhood cancers in Zimbabwe Marunda Overcoming obstacles in providing comprehensive care: Kidzcan Zimbabwe Kawadza Case study report of political factors affecting comprehensive cancer care in Kenya Ochieng Evidence-based effectiveness review of psycho-oncology art therapy interventions in Egypt Elewah	Establishing micro-RNA 451-a as a biomarker in neuroblastoma: results from a discovery phase and validation analysis Gupta Treatment outcomes of ganglio-neuroblastoma at AIC Kijabe Hospital in Kenya Girisa Management and outcomes of neuroblastomas at the Chris Hani Baragwanath Academic Hospital Croker An analysis of the perioperative management of paediatric adrenal neuroendocrine tumours at Chris Hani Baragwanath Academic Hospital, South Africa Marais Fighting cancer before you can walk: A review of neonatal and infantile tumours Pringle Unveiling gaps: leveraging ProFILE tool data to inform surgical prioritisation and surgeons' engagement in decision-making processes Johnson

THURSDAY, 6 JUNE		
CONGRESS DAY 1		
10h30 – 11h00	Refreshments	Exhibition Area
SESSION 3	CONFERENCE OPENING CEREMONY	
Venue	Kgotla 1	
MC	PETER NDORO	
11h00 – 11h05	Academic Head of Paediatrics and Child Health, University of the Witwatersrand - Ashraf Coovadia (South Africa)	
11h05 – 11h10	Siop Africa President - Joyce Balagadde Kambugu (Uganda)	
11h10 – 11h15	SIOP President - Guillermo Chantada (Argentina, Spain)	
11h15 – 11h20	Childhood Cancer International (CCI) Africa President – Hedley Lewis (South Africa)	
11h20– 11h25	Childhood Cancer International (CCI) President – Rodney Wong (Malaysia)	
11h25 – 11h35	Department of Health MEC – Nomantu Nkomo-Ralehoko (South Africa)	
11h35 – 11h45	Keynote Address -	
11h45 – 12h00	Entertainment	
12h00 - 12h05	SIOP Scientific Committee Chair – Asim Belgaumi (Pakistan)	
12-05 – 12h10	Official Opening of Congress - Gita Naidu (South Africa)	
12h10 – 12h30	Photo Moment	
13h00 – 14h00	Lunch	Exhibition Area
13h00 – 14h00	TEXAS CHILDREN'S HOSPITAL GLOBAL HOPE LUNCH SYMPOSIUM	Indaba Palace
	Towards Achieving the WHO GICC Survival Target: Adapting Intensified Regimens for Burkitt Lymphoma in Sub-Saharan Africa – Kristin Schroeder, George Chagaluka & Peter Wasswa	

THURSDAY, 6 JUNE

CONGRESS DAY 1

SESSION 4	MEDICAL: RARE TUMOURS, SOLIDS & OTHER	NURSING: PSYCHOSOCIAL AND PARENTS' NEEDS	CIVIL SOCIETY & PARENTS: EARLY DETECTION	MEDICAL: QUALITY IMPROVEMENT
Venue	Kgotla 1	Auditorium	Lethabo	Lecture Room 8
	Ngoakoana Mahlachana (SA) Thanushree Naidoo (SA) Hafeez Abdelhafeez (USA)	Glenn Mbah (Cameroon) Pritisha Brownley (SA)	Jocelyn Akamumpa (Uganda) Ihesinachi Kalagbor (Nigeria)	Faizana Amodo (Mozambique) Nickhill Bhakta (USA) Shauna Arao (Uganda)
14h00 – 14h20	Invited speaker Sharon Cox (SA) The crucial link between oncologists and surgeons	Invited speaker Tilana Mcleod (SA) A mother's message for healthcare workers	Invited speaker: Anina Meiring (SA) The use of artificial intelligence to transform the impact of cancer on adolescents and young adults	Invited speaker: Aziza Shad (USA) Symposium: Patient safety and quality initiatives in paediatric oncology (90 minutes)
14h20 – 16h30	Delayed Diagnosis of Childhood Thyroid Malignancy in South Africa: Case series and review of literature in a Low- and Middle-Income Country Kaszechki Childhood, Adolescent and Young Adult (AYA) Colorectal Cancer in Nigeria: A Case Series Ajose A review of rare and syndromic tumours in children in a middle-income country: a first report from South Africa Pisapia Expression of VEGFR, PDGFR and c-KIT in pediatric non-rhabdomyosarcoma soft tissue sarcoma and correlation with the outcome Mohammed Development of a template for operative reporting of paediatric cancer surgery in limited-resource settings using a modified Delphi method Harrison Experience with sternal chemo-port placement in paediatric oncology patients Ngobese Assessment of the skills of care staff on early diagnosis of paediatric cancers in the city of Yaoundé Pondy Improving efficiency of case presentations, documentation, and implementation of recommendations at pediatric oncology multidisciplinary team meetings Nzamu Pediatric radiotherapy uptake in a high-volume center in sub-Saharan Africa Fagbemide	Factors Influencing Guardian's Health-Seeking Decisions for Children with Burkitt Lymphoma in Malawi Mbutuka Impact of childhood cancer diagnosis on parental relationships: parental perspectives Sanuwa They face rejection, family break up, disease and treatment related complications: Understanding the unique challenges faced by children with cancer in Malawi Majamande Establishing effective patient navigation programme in paediatric oncology: Perspectives and expectations of informal caregivers Pinamang Needs assessment and situational analysis for children's palliative care in Ghana. Daniels Knowledge retention among paediatric clinical healthcare workers following training on supportive care in the management of paediatric cancers at the Greater Accra Regional Hospital, Ghana Quansah Caregiver's perspectives on late effects and follow-Up of childhood cancer survivors in Kenya Nyabati Integrating paediatric palliative care in a remote treatment centre Weze Paediatric cancer pain assessment and management practice among clinicians in a tertiary hospital in Kenya Keiza	Assessment of Early Warning Signs of Childhood and Adolescents' Cancers: Training Need for Nurses in Lake Zone Mwangoka Disparities in different time intervals from symptom onset to presentation and outcomes among children diagnosed with leukemia and lymphoma Alamo Prevention of Treatment Abandonment remains an important Challenge to increase Survival of Wilms Tumour in sub-Saharan Africa Atwiine Empowering Paediatric Oncology: The GFAOP Early Diagnosis MOOC Dieye Improving access to paediatric Burkitt lymphoma care in Western Kenya through community awareness, diagnostic support and survivorship care Olbara Demographic Characteristics and Survival of Children Diagnosed with Cancer at Mulago National Referral Hospital Assimwe The community's knowledge, attitudes and practices on childhood cancer in Tanzania Mlaki Comparative epidemiology of cancer in adolescents and younger children at Mulago national referral hospital. Kabahweza Charitable initiatives to Address Lack of community awareness in protection and	Evaluating paediatric haematology/ oncology fellowship training programmes: strengthening the African workforce Hordofa Prioritising children and adolescents in national cancer control planning in Uganda: paediatric oncology leadership Balagadde-Kambugu Novel approaches to improve the referral and diagnosis of paediatric cancer in Western Kenya via telehealth education of healthcare providers Olbara

THURSDAY, 6 JUNE				
CONGRESS DAY 1				
SESSION 4 CONTINUED...	MEDICAL: RARE TUMOURS, SOLIDS & OTHER	NURSING: PSYCHOSOCIAL AND PARENTS' NEEDS	CIVIL SOCIETY & PARENTS: EARLY DETECTION	MEDICAL: QUALITY IMPROVEMENT
Venue	Kgotla 1	Auditorium	Lethabo	Lecture Room 8
	An experience with metronomic therapy: A beam of comfort Obat Incidence of malaria in children with cancer with febrile neutropaenia receiving chemotherapy in Mulago National Referral Hospital Ssali	Effect of implementing chemotherapy administration SOPs on pediatric nurse's attitude at Uganda Cancer Institute Misk	early detection of Skin Cancer Among Children: Multicenter Children Education Engagement, Tanzania Kauke	
16h30 – 17h00	Refreshments			Exhibition Area
SESSION 5	PLENARY SESSION - ETHICAL DEBATE- ACCESS TO CARE, CROSS-BORDER CARE, REFUGEES, ASYLUM SEEKERS AND MEDICAL TOURISTS			
Venue	Kgotla 1			
Chairs	Mariana Kruger, Lorna Renner, Christa Grant			
17h00 – 18h30	Nickhill Bhaktha: Access to care & financial hardship (15 min) Michelle Meiring: Ethics in paediatric palliative care (15 min) Debate topic: As healthcare professionals with scarce skills, we have an obligation to treat every child with cancer who presents to us, regardless of financial status and citizenship For - Tim de Maayer Against - Haroon Saloojee			
19h00 – 21h00	Networking Event & Poster Viewing			Exhibition Area

FRIDAY, 7 JUNE				
CONGRESS DAY 2				
07h00 – 08h30	Registration			Foyer
07h00 – 08h00	ASPEN BREAKFAST SYMPOSIUM			Indaba Palace
	Challenging the ALL Landscape - Rupert Hangretinger:			
SESSION 6	MEET THE EXPERTS			Auditorium
07h30 – 08h15	Uma Athale: Coagulation abnormalities in acute lymphoblastic leukaemia Derek Harrison: The importance of collaborative groups, MDTs and standardised surgical reporting in LMIC			
SESSION 7	PLENARY SESSION - LATE EFFECTS, FERTILITY PRESERVATION & SEXUAL HEALTH			
Venue	Kgotla 1			
Chairs	Adri Ludick (SA) Nkuli Boikhutso (SA) Lee York Tien (Singapore)			
08h30 – 08h50	Paediatric oncology Anel van Zyl			
08h50 – 09h10	Fertility specialist Chris Venter			
09h10 – 09h30	Radiation Oncologist Jeannette Parkes			
09h50 – 10h10	Surgeon Hafeez Abdel-Hafeez			
10h10 – 10h30	Survivor Zanele Mohlongo			
10h30 – 11h00	Refreshments			Exhibition Area
SESSION 8	MEDICAL: SOLID TUMOURS & NEPHROBLASTOMA	NURSES: VENOUS ACCESS/RESEARCH	CIVIL SOCIETY & PARENTS: OBSTACLES TO CARE	MEDICAL: LYMPHOMAS AND GENETICS
Venue	Kgotla 1	Auditorium	Lethabo	Lecture Room 8
Chairs	Derek Harrison (SA) Kudzayi Munanzvi (Zimbabwe) Biance Rowe (SA)	Joelle Mukendi (SA) Joan Nakabiri (Uganda) Bertha Rankhumise (SA)	Carl Queiros (SA) Jonita Ntlhale (SA)	Jennifer Geel (SA) Yasmin Goga (SA) Bernard Goodwin (SA)
11h00 – 11h20	Pediatric nephroblastoma at a South African tertiary hospital Brits Barriers to the management of nephroblastoma in a tertiary hospital of Yaounde, Cameroon Kamga	Ashely Vos (SA) Improving vascular access through use of the Vein Viewer (sponsored)	Invited speakers: Volunteering across a language barrier Talya Berchowitz (SA) Cultural beliefs leading to delay in diagnosis and treatment abandonment Lawrence Mbuyane (SA)	Invited speaker: Intercontinental collaborations in paediatric lymphoma Tanya Trippett (USA)
11h20 – 13h00	Development of regional Wilms tumour treatment guidelines by local multidisciplinary teams in sub-Saharan Africa Akullo	Balancing Act: High Incidence, Low Mortality – Investigating Infectious Outcomes of Totally Implantable Venous Access Devices Venter	Enhancing holistic children's palliative care through a sibling visitation programme facilitated by the child life/social work department in Kenya Das	Outcomes and predictors of survival among children with Hodgkin lymphoma at Uganda Cancer Institute Bwikizo
